Lord Ganesha is a Hindu God in human form with an elephant head, representing the Supreme Being and the Remover of obstacles – ensuring success in human endeavors. Hindus worship Lord Ganesha first before beginning any religious, spiritual or worldly activities – especially students pray to Lord Ganesha at the Beginning of the school year for a successful year.

SV Temple of Colorado, Castle Rock, CO (www.svtempleco.org), one of the member temples of CHTNA, has graciously agreed to bring their priests to perform a special prayer service for all cadets. They have agreed to offer delicious Indian food for those who attend.

All Are Welcome To Attend
